

Cherry Blossom Breast Cancer Foundation screening event

A more convenient option

The Novant Health UVA Health System mobile mammography unit is coming to Trinity Episcopal Church in April! The elegant, self-contained coach offers on-site breast cancer screenings, a highly qualified all female staff and a private dressing room. The mobile unit offers a one-stop screening performed in a comfortable and convenient environment, and it reduces time away from the office for personal appointments.

Women are eligible if they:

- Are over the age of 40.
- Have not had a mammogram in the last 12 months.
- Have no existing lumps or breast pain.
- Have seen a physician in the last 24 months.

Please call the church for appointment availability at 540-592-3343 and register at 703-369-8073, option 3.
