Dear Trinity Family,

God is consistently gracious and generous to us, and it is by God's grace and through God's generosity that we are renewed. It is through our generosity to each other that we see the tangible results of God's grace to us. This happens through all the ministries and activities here at Trinity, so that our people can love and serve each other and the world.

Our work as Trinity Church is made possible by people who make a financial pledge to sustain the church throughout the year. One-time gifts are important and always welcome, but the vestry uses annual pledge information to plan our ministries in any given year. Completing this pledge card is the best way to help the vestry—the elected lay leadership of our parish—to plan responsibly.
